

MEMORANDUM

DATE: December 12, 2023
TO: Area Managers; Assistant Area Supervisors; Stations Head
FROM: Roberto Dungca Jr.
CC: President/Vice President/HR Manager/AROM/Accounting
SUBJECT: Reminder: Changes in Approvers for Requests

As we continue to streamline our internal processes, I would like to remind you of the memo I sent on November 21, 2023, which informed you of Changes in Approvals Process for Request. Please review the updates provided in that memo carefully and ensure that you are aware of the new approvers for each request type. If you have any concerns or would like to follow up on the approval of your requests, please review the signatories carefully to ensure that you are submitting your requests to the correct person based on the request type.

In addition, if you have any request in Bahama One App, you can check the status of your request in the jot form. This will allow you to see who has approved your request and when it was approved, and also to see the waiting for approval, if any. This will help you to follow up with the correct person if necessary and keep track of your requests.

If you have any questions or concerns regarding these matters, please do not hesitate to contact me.
