SUBJECT : TIP BOX GUIDELINES

Ma-SWABENG buhay!

See the guidelines with regards to the usage and proper handling of the station's TIP BOX.

1. USAGE of the TIP BOX

- a. Conduct a **CONSENSUS** of what to do with the TIPs. All employees must agree to it.
- b. If there are person/s who disagrees with the consensus, we have two (2) options:
OPTION 1: Think of other things that 100% of employees will agree to it.
OPTION 2: We have to "divide the table" meaning, there must be a process of voting. There must be a majority decision. Thus, out of the total employees, there should be a "50% + 1" employees who favours the consensus.
- c. Put into writing. Create a document that must be signed by all individuals indicating their willingness or agreement to follow the said consensus.
- d. The document must be noted and signed by your area manager.
- e. Furnish a copy and send to our SF-ADMIN (sf-admin@bahama.ph) for documentation.
- f. If there will be revisions and amendments, follow the steps A to E.
- g. Failure of the Station Supervisor Head to follow the process will be dealt with accordingly.

2. HANDLING of TIP BOX

- a. The frequency of opening of the TIP BOX must be included in the **CONSENSUS**.
- b. Only the Station Supervisor Head is the authorized person to open the TIP BOX and must be accompanied by a witness.
- c. Create a journal or logbook indicating the date, time, person, amount and remarks for documentation. This must be signed by the people involved.
- d. Smartfuels' values of Honesty and Integrity must always be displayed.
