

MEMORANDUM

DATE : August 7, 2023
TO : Smartfuels Station Heads and Staffs
CC : PRESIDENT & CEO / VP & COO / Area Managers / HRD / Finance Dept.
FROM : Operations
SUBJECT : Customer Relations Guidelines on GCASH Transactions

In addition to our GCASH policy on “Bayad Muna Bago Karga” there are still situations that needs to be refined.

One of the situations is that the customer received a SMS notification from GCASH that they have been deducted but our MAYA terminal have not received any notification or we may have received a notification but with cancelled or failed transaction.

On this situation, let it be known that it is a **FAILED/CANCELLED transaction**. Follow the guidelines below:

1. Inform the customer that the transaction of GCASH to MAYA terminal was unsuccessful.
2. Inform the customer to report it to GCASH help center on their APP for refund since the transaction was not successful.
3. Write in the logbook the name and contact number of the customer for reference because sometimes due to some factors, there are delays in GASH to MAYA payment.

The following spiel/s are your guide/s when dealing to customers:

“Sir/Ma’am, sorry po sa abala. Hindi po kasi nareceived ng aming MAYA terminal ang inyong payment. Madalas po mangyari ang ganitong sitwasyon sa pagitan ng GCASH at MAYA. Failed transaction po ito sa amin. Ang maaari niyo po gawin ay i-report sa GCASH help center sa inyong APP para po maibalik ang amount na nabawas sa inyo. Kung inyo po mararapatin, maaari po ba namin makuha ang inyong pangalan at contact number para po sa aming reference kasi po minsan after 3 days pumapasok po sa account namin para mainform po namin kayo. Maraming salamat po.”

All Station Heads should train your respective Forecourt Service Crew in the proper execution of this guideline.
