

MEMORANDUM

DATE: June 25, 2024
TO: Area Managers, Assistant Area Supervisors, Supervisors
FROM: Roberto Dungca Jr.
CC: President/Vice President/HR Manager/Accounting/Assistant Retail Operations Manager/
SUBJECT: Office and Janitorial Supplies Tracker

Dear all,

As we continue to maintain a smooth and efficient workflow, we would like to remind everyone of the importance of checking our office and janitorial supplies tracker. When you receive your supplies, please always check the tracker to ensure that the quantity you received matches what was released by the SF Admin.

Here are some key points to remember:

1. Upon receiving your supplies, please check the tracker to verify the quantity received.
2. If there are discrepancies between the quantity received and what is listed on the tracker, please inform the SF Admin Assistant immediately so that we can investigate and resolve the issue promptly.

Additionally, for non-consumable supplies, we require a picture to be uploaded to Google Drive with each request. This will serve as proof of request and will help us track and manage our supplies more effectively. Please note that without a picture of non-consumable supplies, no request will be processed.

By following these guidelines, we can ensure that our office and janitorial supplies are managed efficiently and effectively.

Thank you for your cooperation and understanding.
